## **CANCELLED EVENT!**

Due to weather and safety concerns for our customers & supporters we have made the difficult decision to cancel this event.

To keep in the spirit of the event, we would still like to invite everyone to drop off donations to our office for:

*This is a nonprofit organization dedicated to serving the needs of our community with compassion and dignity. All of their items are free to those in need.*

Our office will be open from 9:30 – 4:00 daily from January 26 to January 30 to accept your generosity on behalf of 7 Sparrows. We will have more information about the organization in our office.

There will still be an auction with 100% of the proceeds going to 7 Sparrows. This will be on our web site so please visit us next week @ [phblacksmith.com](http://phblacksmith.com)
